Mid-Columbia Fisheries Enhancement Group

The Mid-Columbia Fisheries Enhancement Group:

- Focused on implementation of on-the-ground fish habitat enhancement projects.
- A non-profit organization managed by a volunteer board of directors.
- Not a political or advocacy organization.

Types of Projects:

- Riparian revegetation
- Livestock exclusion
- Fish passage
- In-stream habitat improvement
- Off-channel habitat & floodplain connectivity
- Sediment reduction

Our approach:

- Supporting partners
- Sponsoring & managing projects
- Promoting community involvement & education
